General Information

AAC Trial Rules: This sanctioned trial is being held under the rules of the AAC. All obstacles conform to AAC Specifications. The trial is open to all dogs over 18 months of age. No bitches in season, dogs suffering from injuries, or dogs showing signs of aggressiveness will be permitted to run. In the spirit of sportsmanship and fairness to others, the disregard of AAC rules will be grounds for dismissal from the rest of the trial weekend and no entry fees will be refunded. As well a complete report will be forwarded to AAC for further disciplinary action. Pye K9 Kapers Agility Club reserves the right to refuse any entry.

AAC ID Number: All dogs must be registered with AAC with a valid AAC number in order to compete in this trial.

Junior Handling: A Junior Handler class will be offered at this trial. Junior handlers must apply to AAC for a number. Forms are available on the AAC website.

Accessibility Option: Senior handlers 65 years and over, and handlers of any age with a disability may request a modified course time and a modified points requirement. The handler's dog shall be entered at its current competition jump height and category, including Junior Handler. The modified time and reduced point requirements are a concession for the handler, not for the dog. Requests must be indicated on entry form.

Bitches in Season: Bitches in Season will be allowed to participate in the trial. Handlers are required to notify the trial secretary that they will be running a BIS at the event as soon as it is known. Handlers should minimize exposure of their BIS to other dogs and limit their movements about the grounds. Competitors will be notified there is a BIS on site. A protective mat, provided by the competitor will be used at the start line. Protective panties are optional. BIS will run as a group at the end of each class. BIS will be marked on the gate sheet next to the dog's name so that other competitors, the gatekeeper and ring crew are aware. BIS must use a designated relief area and must wear protective "panties" when not running or within the designated relief area.

Warm up Area: A warm up area, as required by AAC, will be provided.

Deadline and Changes: No entries will be accepted, changed, withdrawn, after the closing date, with the exception of 1) Dogs may move up to the next class by informing the secretary prior to the trial. 2) Bitches in season or dogs who have been injured after closing date may request a refund upon presentation of a veterinary certificate.

Ring Ready: Exhibitors are responsible to check the running order posted by the ring and be on deck and ready to run. Failure to do so may cause you to lose your turn.

Equipment: Electronic time, a breakaway tire, and rubberized contacts will be used at this trial.

Confirmation: Confirmation will be sent out by email after the closing date.

Move-ups: Move ups are allowed at this trial. A move-up form will be located outside the scoring trailer. Fill out information and all updates will be recorded at the end of each date.

Accommodations: There will be dry camping available on site, with no electrical hookup. Please let us know if you plan to camp on site. Close by, pet-friendly accommodations include: Mactaquac Provincial Park is about 5km from the trial site on Hwy 105. Woolastook Campground is about 8km away on Hwy 102. Biathlon: AAC's biathlon is an Agility AND Jumpers with Weaves class. Dogs who run BOTH Agility and Jumpers with Weaves under SCT (Time PLUS Faults) will earn an International Biathlon qualifier. Biathlon is recommended to be entered as a combined entity over two rounds (Agility and Jumpers with Weaves). However, the K9 Kapers are also offering it as individual rounds (enter only Agility or enter only Jumpers with Weaves) for a chance to earn a qualifier at whichever level you are currently competing.

AAC Class Descriptions:

- Starters: Open to dogs that have not earned a Starters title.
- Advanced: Open to dogs that have earned a Starters title, but not earned an Advanced title.
- Masters: Open to dogs that have earned an Advanced title.
- Regular: Dogs will jump standard heights and course times as set by AAC.
